

Face Mask Pattern,

1cm seam allowance is included in this pattern

Cut 4 of the size you want.

Join 2 together along the curved front seam, repeat for the other 2.

Place one inside the other right sides facing, sew the curved top and bottom seams.

Clip curves and turn the whole mask through one end, iron all edges.

Fold open ends in twice by 1cm

Top stitch round whole mask, stitching over the edge of fold 1 at each end (to leave a small channel for elastic.)

Thread elastic through channel on each side, knot and wear.
